

## **INTERJET INTRODUCES DAILY SERVICE TO MEXICO FROM JOHN WAYNE AIRPORT IN ORANGE COUNTY**

### ***With Flights to Mexico City and Guadalajara, New West Coast Service Marks Fourth U.S. Gateway for Mexico's Second Largest Carrier***

ORANGE COUNTY, Calif. (Sept. 20, 2012) --- October 11, 2012 marks the introduction of daily service by Interjet to Mexico from John Wayne Airport in Orange County. The flights – to Mexico City and Guadalajara – represent the company's fourth U.S. gateway as Mexico's second largest air carrier continues to make a strong impact in the popular U.S.-Mexico travel market. Interjet already flies from Miami, New York and San Antonio to Mexico City.

Special introductory fares of \$289 to Mexico City and \$299 to Guadalajara including taxes are valid until the end of November, based on availability.

"At Interjet our goal is to put the fun, excitement and affordability back into air travel and we are delighted to be able to offer this opportunity to West Coast travelers. In addition to being a vitally important business travel hub for North American companies, Mexico, of course, offers an extraordinary choice of vacation destinations to enjoy and Interjet flies to them all. We look forward to providing our Southern California friends with the quality service and appealing amenities that travelers from other parts of the U.S. already enjoy," said Jose Luis Garza, Interjet's CEO. In addition to its U.S. gateways, Interjet's international route structure currently includes Guatemala, Cuba, and San Jose, Costa Rica.

The new Orange County to Mexico City service departs from John Wayne Airport at 10:30 am Monday through Friday, arriving at the Benito Juarez International Airport at 4:05pm. On Saturday and Sunday, flights from Orange County depart at 3:15pm, arriving in Mexico City at 8:50pm. Flights leave Mexico City at 7:45am, arriving at Orange County at 9:30am Monday through Friday, and at 12:30pm., arriving in Orange County at 2:15pm on Saturday and Sunday. Daily service to Guadalajara's Miguel Hidalgo y Costilla International Airport departs John Wayne Airport at 1:35pm, arriving at 6:45pm; flights from Guadalajara depart at 11:15am and arrive at 12:35pm.

Interjet earned its reputation as one of Mexico's most successful airlines based on numerous passenger-pleasing flight and service features. Interjet is known for its high quality service at competitively affordable prices as well as its excellent safety record. With 35 new A320 aircraft, the airline has put the customer first with such decisions as removing 30 seats to create maximum comfort for 150 guests as well

as serving complimentary snacks and premium beverages during flights between Mexico City and Orange County. Interjet also offers transferable tickets, an appealing frequent flier loyalty program, in-flight entertainment program, an unrestricted 20 percent discount year-round for seniors, a unique take-off/landing camera and women-only toilets on all airplanes. In contrast with other carriers, there is no extra charge for passengers to select seats or check up to 2 55-pound bags per ticket. Interjet does not overbook its flights and has no hidden fees in the ticket purchase prices; the price offered by the airline is what the customer pays, including all taxes.

As it continues to broaden its presence in the international market, Interjet also has demonstrated its financial stability by continuing to invest in new equipment, recently completing the purchase of 20 Superjet 100 aircraft.

Reservations can be made online at [www.interjet.com](http://www.interjet.com) or through your travel agent.

#### **About Interjet**

INTERJET is a 100% Mexican airline which, in December 2011, celebrated its 6<sup>th</sup> anniversary by fulfilling a corporate commitment to provide high-quality air travel at an affordable price. Its current fleet consists of 35 state-of-the-art Airbus A320 aircraft with the latest in aeronautical technology. They are also the only aircraft of their kind in Latin America that are equipped with external cameras, which allow the passengers to see live take-off and landing from their seats. Interjet operates over 150 daily flights on 42 business and leisure routes, covering 26 destinations in Mexico and seven international destinations – Guatemala, Havana, San Antonio, Miami, San José (Costa Rica), New York and now, Orange County. Interjet's network also offers excellent connections to other destinations at the airport in Mexico City. For further information and reservations, consult [www.interjet.com](http://www.interjet.com) or call 866-285-9525.

#### **About John Wayne Airport**

John Wayne Airport (SNA) is owned by the County of Orange and is operated as a self-supporting enterprise that receives no general fund tax revenue. The Airport serves approximately nine million passengers annually and reaches more than 20 non-stop destinations in the United States, Canada and Mexico.
